

1. I have learnt about 2023 a lot sometimes it was good for me, but sometimes it was bad for me and it made me feeling not good with it too.

✚ For the good thing:

- ✚ I have learnt about how to be a good leader.
- ✚ I have learnt about how to make myself have a happiness by myself.
- ✚ I have got in touch with someone.
- ✚ I have got in touch with my old friends.
- ✚ I was good at Algorithm subject that was my favorite one.
- ✚ I have had a good communicate with my teachers.
- ✚ I have been the first one that my friends always like.
- ✚ I have learnt about how to manage people by myself because it was my first experience for me that I have not done it before.
- ✚ I have learnt about how to make communication with new people.
- ✚ I have took care by my special person.

✚ For bad thing :

- ❖ I have had fake friend.
- ❖ My friend used to hate me because of someone made a fake story to tell him.
- ❖ Someone have broken my heart.
- ❖ My family have not talked to each other.
- ❖ I have quarreled with my friend.
- ❖ I have not done well at Game project.
- ❖ I have got a result that I didn't expected with Algorithm.
- ❖ I was low with JavaScript.
- ❖ I have done the project with someone who did have responsibly in herself/himself.
- ❖ I have lost touch with my best friend because of someone's word.
- ❖ I have lost myself when I broke up with my ex-boyfriend.
- ❖ Careless with my study.

2. I plan for 2024 such as:

- ✚ Try to study hard more.
- ✚ Try to improve my English skill more than now.
- ✚ I will save people who are kind and honest with me.
- ✚ Try to be a good student.
- ✚ Don't spend much time with my phone.
- ✚ I will make myself more beautiful than now.
- ✚ Don't talk too much.
- ✚ Try to have a good feeling when someone do something wrong with me.
- ✚ I will break up with fake friends.
- ✚ I won't spend too much time with someone doesn't see the value of me.
- ✚ I will keep someone who see only the benefits.
- ✚ I will make myself happier than now don't think too much.
