I. MY FIRST WEEK AT PNC

1. What happen in PNC

On 2nd January 2023, was the first time that I come to study at PNC¹. And there are the activities that I did at PNC. First day, I came and waited teachers to introduces the school I took photo with my friends for student card. Second day, I came to have a meeting with teachers and they told all students to ask the name of them and make communication together and in the afternoon I got experience from teachers and they introduced about themselves in each role in PNC. Third, I went to visit around Phnom Penh with my friends and senior by bicycle. But when I stopped our bicycle broken and we didn't know how to do. And we decided to came back school. and then in the afternoon I played the games with senior and I was very happy that I did this activities. And then when we had dinner already we went to PSE to d activities at there. And then then on Friday I went to Tamao mountain with my friends and teachers. And I could animals and I played games at there that made me happy and made me and my friends to have solidarity together to be win. After played the games I played a big game. And then we had a launch together. After that I went to see animals with my teacher and my friends and took photos together. And the last thing for me was when I went to the market I called a woman who sell book "Um".

2. My first memory at PNC

The memory at PNC was play games and bicycle was broken when me, my friends and senior stopped at Royal palace and I called the seller "Um".

II. THE NAME OF THE FRUIT IF I WERE BE AND THE DAY THAT I WERE TO BE

1. THE NAME OF FRUIT THAT I WERE BE

If I were a fruit I want to be a Durain fruit. Because this fruit has a lot of advantages and it has once a year. And for advantages of this fruit we can eat with a delicious and we can use it to fight someone who you hate or angry. Or you can use it to drink with **Coca cola**. it is delicious and good for your health. And I people always take care for me.

2. THE DAY THAT I WERE BE DURAIN

If I were this fruit I want to be on the day that I want to slap someone or the day that people want to fight someone who they hate they can use me to slap the people that they hate.

III. MY OWN TOWN

Battambang province is the leading rice-producing province of the country. For nearly 100 years it was a major commercial hub and provincial capital of Siamese province of Inner Cambodia(1795-1907) thought it was always populated by Khmer, with some ethnic Vietnamese, Lao, Thai of and Chinese. Battambang remains the hub of Cambodia's northwest, connecting the region with Phnom Penh and Thailand. The city is situated on the Sangkae River, a tranquil, small body of water that winds its way picturesquely through Battambang Province. As with much of Cambodia French Colonial architecture is a notable aspect of the city, with some of the best-preserved examples in the country. For this province also has 13 districts and 1 city as you know on the Sangkae River. And it has a lot of place to visit and camping in the forests or the places that has water. When you go to provinces you can see Lok Ta

Advantages
